Dear Gloria:

It has been exactly one year ago today the Ak-Chin Indian Community and Pace Pacific Corporation entered into an agreement to build the Tax Credit II twenty five (25) home subdivision. The Community would like to take this opportunity to recognize Pace Pacific's outstanding performance on completing the project on time and within budget.

The Community faced an enormous task of completing the twenty five homes by December of 2006. Pace Pacific was given the 'Notice to Proceed' on May 15, 2006 and the homes were substantially complete December 20, 2006. The homes were completed in record time of seven months and four days!

Rob Haggard, the project Site Superintendent is to be commended for his efforts in coordination of project site activities. Kevin Abernethy is also to be commended for his Project and Construction Management expertise.

Special praise and recognition is due your Firm for building the Community's homes with commitment and special attention to quality. The Ak-Chin Indian Community wishes to thank you for your help. The Community will look forward to future projects with Pace Pacific Corporation with equal success.

Sincerely,

A handwritten signature in cursive script that reads 'Delia M. Carlyle'.
